

Introduction to Human Geography

Answer the following questions while viewing the Human Geography Presentation

* Required

1. What are the main questions that human geographic inquiry is centered around? *

2. Describe the difference between physical and human geography. *

3. The presentation uses globalization as a sample topic for human geography and gives three different views of globalization. How would you describe the differences in these views. *

4. Discuss the following question: Think of a place you are familiar with (your hometown or place you visit etc.) Imagine and describe what that place was like 100 years ago. Now, describe how globalization has changed this place and how it may continue to change in the future. *
